KNOW YOUR NEIGHBOR

This grid is meant to represent your home (the heart) and your 8 closest neighbors. Your street might not look like a grid, so pick the 8 closest folks to you. So, what kinds of things should you fill out on your grid? Start with names. Once you know who lives there, add things you know, such as hobbies, what they do for work, pets, and so forth. Then, challenge yourself to meet your neighbors and learn more about them!

SHARE THE LOVE

Share a photo about completing each challenge on your Instagram or our Facebook page using the hashtag [#loveyourhoodchallenge](#). Make sure to follow us on social media [@loveyourhood](#) too! Although the 2019 challenge has ended, we always love to share stories of great neighboring.
